

# Rules & Regulations

**Objective-** To enhance the already established Farmers Market by providing our Franklin County producers, artisans and crafts people a venue to display and sell their craft or goods directly to the general public. This will create more community interest, encourage residents to shop locally and entice visitors to come to Franklin County.

**Location-** The current Farmers market location and surrounding areas. It is known that the farmers will have first pick of the booths. Any booths not occupied would then be open to other vendors or they may use a tent.

## **Permits/Fees**

Craft Sales Permit- \$20.00/yearly; you will only have to pay this once during a Franklin County Marketplace season.

Space Rental- \$10.00/monthly; you will pay this each month that you set up during a Franklin County Marketplace season.

If you are selling food items you must contact the Franklin County Health Dept. at 256-332-2700. Some fees may apply.

**Eligibility-** All farmers will coordinate with the Farmers Market Manager as usual. All other vendors will be approved and coordinated through the Franklin County Chamber of Commerce.

All vendors will be Franklin County residents which have items they have created or handcrafted.

Commercially produced items or items purchased from a yard sale, flea market, other individual or wholesaler are not permitted.

Live animals are not permitted at the Market.

Vendors will be solely responsible for, at all times, the cleanliness within their vending area regardless of the origin of the debris. Each vendor is required to leave the space clean at the end of the day. All trash and debris must be properly bagged. Any vendor failing to clean their area will be assessed a cleanup fee of \$75.00.
